“ I can't believe a year has passed since we lost this beautiful soul. Mr. Bobby and Mrs. Paula moved into Inspired Living where my parents live and they became fast friends and tablemates at every meal. He stole my heart as we would visit and joke when I would visit my parents. He was always so full of life and when he entered a room, people knew immediately. He lovingly referred to my Mom as his "girlfriend" and Mrs. Paula and my Dad and I would laugh. He made my Mom feel very special. I often have fond flashbacks to the precious time I got to spend with this wonderful, loving Christian man.  
Until we meet again...

“ I met Mr Hebert & Ms Hebert at Inspired Living where I did private duty with a patient about 3 months ago.  
My family is from Golden Meadows (Cheramie) and I shared that Info with him. We talked and he said he knew my relatives..from that day on everytime I saw them he waved and called out my family name. Always had a big smile or hug for me.  
He was the sweetest man...little did I know the last time he would wave to me would be 3/18 as I left that day for safety reasons.  
They will always be in my memories as they were inseparable...he was the talker, we exchanged french many times. My heart was broken to hear of his passing. I also lost my patient to the virus there as well which made me extremely sad. God works in mysterious ways and I sometimes wonder about that..  
God Bless Mr Hebert may he be forever remembered for his big smile & kindness he gave to everyone. God Bless Ms Paula and their children & families.
