

Mrs. Lorraine Griffin Bouzigard

February 25, 1943 - January 19, 2021

Lorraine Griffin Bouzigard, 77, a native and resident of Golden Meadow passed away peacefully surrounded by her family on January 19, 2021 at Ochsner Medical Center. She is survived by her husband of 58 years Ivy Bouzigard, Jr; son Kelly (Holly), daughter Susan (Brian); grandsons Chord, Ian, Michael, and Logan; great-granddaughter Lydian Sue; and many nieces and nephews.

She was preceded in death by her parents Levy and Rozina C. Griffin; brother Levy Griffin II; and sister Bernice Griffin.

Lorraine was a retired high school English and Speech teacher known to her many students as Ms. Bouz. She loved reading and always had a book in her hands. She was a great supporter of the South Lafourche Library, Golden Meadow Library, and Golden Meadow Culture Center. She loved to travel and see new places, cultures and countries. She enjoyed her last 30 years at her camp in Grand Isle watching her grandchildren and their friends having fun on the beach. She especially enjoyed quiet time on the beach watching the seabirds and pelicans, which she would return to her camp and paint. She will truly be missed by her family and friends.

The family would like to thank the doctors, nurses, and staff at both Oschner St. Anne and Oschner Main Campus for the outstanding respect and care she was given.

In following her wishes, a private service and burial will be held for the immediate family.

“ We shared the "back building" at South Lafourche. She was a tough cookie, and I loved her attitude and spunk. She made the day more fun and interesting. She was a small package of energy and no-nonsense goodness. I always noticed her nails and graceful hand gestures. Lorraine spent some time on her nails, they were elegant. She always made me feel that I wanted to do a better job, be a better person, and have a manicure (she always laughed at my stupid jokes). I thank her for sharing those good times with me. Life would have been less cool and interesting without knowing her. Yes, there is a tough little spirit up there looking down on us. I know that she`s helping me with my grammar right now. Please Lorraine, no red ink. I will never forget you.

“ I will never have the words to adequately express the profound influence Lorraine had on my life. For more than twenty years, during the most trying times of my life, I had the honor of being her friend ~ one of the PLEDGE girls. There are far too many shared reminiscences and adventures to list here, but she will live on in the memories of the countless lives she touched. She made me a better person.
